

Harry B. Kelso, Jr., MD

Vice President and Chief Medical Officer
American National Insurance Company

Dr. Kelso graduated from the University of Texas Medical Branch. He completed his postgraduate training in internal medicine as well as a nephrology fellowship at Duke University Medical Center. Before joining American National Insurance Company as vice president and medical director, he was in private practice in Galveston, specializing in internal medicine. Dr. Kelso is a clinical professor in the Department of Internal

Medicine at UTMB. He was instrumental in developing a telemedicine clinic in the home office of American National that provides employees with convenient access to clinicians at UTMB. Both the utilization and employee satisfaction rates for the telemedicine clinic have increased every year since its beginning.
