

**Russell A. Lanier**

Project Manager

Electronic Health Network

University of Texas Medical Branch at Galveston

Mr. Lanier has been with the university for the past 12 years. He is responsible for successful operation of post-contract and new project implementation phase for EHN customers. This includes establishing communication and implementation plans, assessment of customer needs and workflows, monitoring of project implementation milestones, and creation of customer progress reports as required. Mr. Lanier is currently completing his degree in economics at the University of Houston.
