

Sunil Joshi, MBA

Director
WellPoint, Inc.

Mr. Joshi is the director of Product Development and Administration and works for the State Sponsored Business division of WellPoint, Inc. State Sponsored Business has more than 2 million members in Medicaid, SCHIP, and other publicly funded programs nationwide.

Since 2004, Mr. Joshi has been responsible for the telemedicine programs in California and Georgia, both of which have a focus of increasing access to specialty care in rural areas. Along with telemedicine, he has responsibility for supporting business development activities and corporate projects such as strategic planning, best practices, and trend management.

Mr. Joshi is based in Camarillo, California and has more than 15 years of healthcare industry experience in the areas of operations, finance, network development, and medical management. He has an undergraduate degree in economics from University of California, Los Angeles and a master's in business administration from Pepperdine University.
