Please describe the innovation worthy of the Gernsback Award for Clinical Innovation in Telemedicine. Please limit your nomination to 500 words—approximately two double-spaced, 8.5in. X 11 in. pages.

Nominations will be closed October 15, 2007 at 5 PM, CDT. Late or incomplete applications will not be considered. Employees of the Electronic Health Network or NuPhysicia are not eligible for this award.

The winner of the award will be announced on November 13, 2007 at the upcoming conference, "Mainstreaming Telemedicine: Understanding Sustained Operations".
